- must be delivered to each member, or sent by post to the member's last known address, at least seven clear days before the day of the meeting.
- 14.5 The proceedings of any meeting are not invalidated by a failure to deliver such notice to any member.
- 14.6 In the case of a meeting called under sub-paragraph (3) by members, the notice must be signed by those members and no business other than that specified in the notice is to be transacted at the meeting.
- 14.7 At any meeting of the Authority the chairperson or, in the chairperson's absence, the vice- chairperson (if there is one and the vice-chairperson is present) is to preside.

- 15.1 Subject to the following provisions of this paragraph, if the chairperson or a member has any pecuniary interest, direct or indirect, in any contract, proposed contract or other matter and is present at any meeting of the Authority to which the contract, proposed contract or other matter is the subject of consideration, the chairperson or that member must at the meeting and as soon as practicable after its commencement, disclose that interest and must not take part in the consideration or discussion of the contract, proposed contract or other matter or vote on any question with respect to it.

- 15.3 The Authority may, by standing orders made under paragraph 13(b), provide for the exclusion of the chairperson or a member from a meeting of the Authority while any contract, proposed contract or other matter in which the chairperson or that member has a pecuniary interest, direct or indirect, is under consideration.
- 15.4 Any remuneration, compensation or allowances payable to the chairperson or a member by virtue of paragraph 2 to Schedule 6 of the NHS Act (pay and allowances) is not to be treated as a pecuniary interest for the purpose of this paragraph.

15.6 An appointee is not to be treated as having a pecuniary interest in any contract, proposed contract or other matter by reason only of the appointee's membership of a company or other body if the appointee has no beneficial interest in any securities of that company or other body.

16. Reports by the Authority

16.1 The Authority must make such reports to the Secretary of State in such manner and at such time as the Secretary of State may direct, and must furnish to the Secretary of State such information as the Secretary of State may from time to time require.

17. Public meeting

18. Tenure of office (Chief Executive and Deputy Chief Executive)

18.1 The Chief Executive and the Deputy Chief Executive shall hold office as a member for so long as they remain in their respective posts.

19. Termination and suspension of tenure of office of officer members

19.1 An officer member of the NHSCFA shall cease to hold office as member where he ceases to hold a post in the NHSCFA, or hold the same post in it as when he commenced his term of office.

- 19.2 If the NHSCFA is of the opinion that it is not in the interest of the Authority that an appointed officer member should continue to hold office as a member, the NHS CFA shall forthwith terminate his tenure of office.
- 19.3 If an officer member of the NHSCFA is suspended from his post in the NHSCFA, he shall be suspended from performing his functions as a member for the period of his suspension. SOs 15.1 and 15.2 above shall not apply in the case of the Chief Executive.

20. Declarations of interests and register of interests

- 20.1 The Code of Accountability requires Board members to declare interests, which are relevant and material to the NHS Board of which they are a member. All existing Board members should declare such interests. Any Board members appointed subsequently should do so on appointment. References here to Board members shall mean NHSCFA members.
- 20.2 Interests which should be regarded as "relevant and material" are:
- a. Directorships, including non-executive directorships held in private companies or Plc (with the exception of those of dormant companies)

 - d. A position of trust in a charity or voluntary organisation in the field of health and social care
 - e. Any connection with a voluntary or other organisation contracting for NHS services
- 20.3 If Board members have any doubt about the relevance of an interest, this should be discussed with the Chairperson.
- 20.4 At the time Board members' interests are declared, they should be recorded in the Board minutes. Any changes in interests should be declared at the next Board meeting following the change occurring.
- 20.5 Board members' directorships of companies likely or possibly seeking to do business with the NHS should be published in the Board's annual report. The information should be kept up to date for inclusion in succeeding annual reports.

- 20.6 During the course of a Board meeting, if a conflict of interest is established, the Board member concerned should withdraw from the meeting and play no part in the relevant discussion or decision.
- 20.7 There is no requirement for the interests of Board members' spouses or partners to be declared. Note however that SO 15 which is based on the Membership and Procedure regulations requires that the interest of members' spouses, if living together, in contracts should be declared.

21. Register of interests

- 21.1 The Chief Executive will ensure that a Register of Interests is established to record formally declarations of interests of members. In particular the Register will include details of all directorships and other relevant and material interests which have been declared by both executive and non-executive Board members, as defined in SO 20.2.
- 21.2 These details will be kept up to date by means of an annual review of the Register in which any changes to interests declared during the preceding twelve months will be incorporated.
- 21.3 The Register will be available to the public and the Chief Executive will take reasonable steps to bring the existence of the Register to the attention of the public and to publicise arrangements for viewing it.

22. Standards of business conduct policy

- 22.1 Staff must comply with the national guidance contained in HSG (93) 5 'Standards of Business Conduct for NHS staff'. The following provisions should be read in conjunction with this document.

- 23.1 If it comes to the knowledge of an officer of the NHSCFA that a contract in which he has any pecuniary interest not being a contract to which he is himself a party, has been, or is proposed to be, entered into by the NHSCFA he shall, at once, give notice in writing to the Chief Executive of the fact that he is interested therein. In the case of persons living together as partners, the interest of one partner shall, if known to the other, be deemed to be also the interest of that partner.

- 23.2 An officer should also declare to the Chief Executive any other employment or business or other relationship of his, or of a cohabiting spouse, that conflicts, or might reasonably be predicted could conflict with the interests of the NHSCFA.

24. Canvassing of, and recommendations by, members in relation to appointments

- 24.1 Canvassing of members of the NHSCFA or of any Committee of the NHSCFA directly or indirectly for any appointment under the NHSCFA shall disqualify the candidate for such appointment. The contents of this paragraph of the SOs shall be included in application forms or otherwise brought to the attention of candidates.
- 24.2 A member of the NHSCFA shall not solicit for any person any appointment under the NHSCFA or recommend any person for such appointment, but this paragraph of this SO shall not preclude a member from giving written testimonial of a candidate's ability, experience or character for submission to the NHSCFA.
- 24.3 Informal discussions outside appointments panels or committees, whether solicited or unsolicited, should be declared to the panel or committee.

25. Relatives of members or officers

- 25.1 Candidates for any staff appointment under the NHSCFA shall, when making application, disclose in writing to the NHSCFA whether they are related to any member or the holder of any office under the NHSCFA. Failure to disclose such a relationship shall disqualify a candidate and, if appointed, render him liable to instant dismissal.
- 25.2 The Chairperson and every member and officer of the NHSCFA shall disclose to the NHSCFA any relationship between himself and a candidate, of whose candidature that member or officer is aware. It shall be the duty of the Chief Executive to report to the NHSCFA any such disclosure made.
- 25.3 On appointment, members (and prior to acceptance of an appointment in the case of officer members) should disclose to the NHSCFA whether they are related to any other member or holder of any office under the NHSCFA.
- 25.4 Where the relationship to a member of the NHSCFA is disclosed, the SO headed 'Disability of Chairperson and members in proceedings on account of pecuniary interest' (SO 15) shall apply.

26. Tendering and contract procedures

Duty to comply with Standing Orders

- 26.1 The NHSCFA shall through an MoU be supplied with Tendering and Contracting services by a third party (the NHS Business Services Authority). This contractual arrangement does not remove the requirement for the NHSCFA and its Board to assure compliance with the below expectations.
- 26.2 The procedure for making all contracts by or on behalf of the NHSCFA shall be delegated to the CEO, approved by the Board, and shall comply with these SOs, and be the responsibility of the Chief Executive.

27. EU directives governing public procurement

- 27.1 Directives by the Council of the European Union promulgated by the Department of Health (DoH) prescribing procedures for awarding all forms of contracts shall have effect as if incorporated in these SOs.
- 27.2 The NHSCFA shall comply as far as is practicable with the requirements of the NHS Executive "Capital Investment Manual". In the case of management consultancy contracts the NHSCFA shall comply as far as is practicable with NHS Executive guidance "The Procurement and Management of Consultants within the NHS".

28. Formal competitive tendering

- 28.1 The NHSCFA shall ensure that competitive tenders are invited for the supply of goods, materials and manufactured articles and for the rendering of services including all forms of management consultancy services (other than specialised services sought from or provided by the DoH); for the design, construction and maintenance of building and engineering works (including construction and maintenance of grounds and gardens); and for disposals.
- 28.2 Formal tendering procedures may be waived by the Chief Executive on the recommendation of a member of the Senior Management Team and with the advice of the Chief Financial Officer where:

OFFICIAL

- a. the estimated expenditure or income does not, or is not reasonably expected to, exceed £15,000, (this figure to be reviewed annually); or
- b. the estimated expenditure or income does not, or is not reasonably expected to, exceed £75,000, (this figure to be reviewed annually) and one other of the conditions in (c) to (h) apply
- c. where the supply is proposed under special arrangements negotiated by the DoH in which event the said special arrangements must be complied with;
- d. the time scale genuinely precludes competitive tendering. Failure to plan the work properly is not a justification for single tender;
- e. specialist expertise is required and is available from only one source.
- f. the task is essential to complete the project, and arises as a consequence of a recently completed assignment and engaging different consultants for the new task would be inappropriate
- g. there is a clear benefit to be gained from maintaining continuity with an earlier project. However, in such cases the benefits of such continuity must outweigh any potential financial advantage to be gained by competitive tendering.
- h. Where provided for in the Capital Investment Manual.

28.3 The limited application of the single tender rules should not be used to avoid competition or for administrative convenience or to award further work to a consultant originally appointed through a competitive procedure.

28.4 Where it is decided that competitive tendering is not applicable and should be waived by virtue of (a) to (h) above the fact of the waiver and the reasons should be documented and reported by the Chief Financial Officer to the Board in a formal meeting.

28.5 Formal tendering procedures may be waived by the Board where it is decided that competitive tendering is not applicable and the estimated expenditure is expected to exceed £75,000 and one other of the conditions in (b) to (g) apply.

28.6 The NHSCFA shall ensure that normally the firms/individuals invited to tender (and where appropriate, quote) are among those on approved lists. Where in the opinion of the Chief Financial Officer it is desirable to seek tenders from firms not on the approved lists, the reason shall be recorded in writing to the Chief Executive.

29. Quotations

- 29.1 Quotations are required where formal tendering procedures are waived. Where the intended expenditure or income exceeds, or is reasonably expected to exceed £5,000.
- 29.2 Where quotations are required they should be obtained from at least three firms/individuals, based on specifications or terms of reference prepared by, or on behalf of, the NHSCFA.
- 29.3 Quotations should be in writing unless the Chief Executive or his nominated officer determine that it is impractical to do so, in which case quotations may be obtained by telephone. Confirmation of telephone quotations should be obtained as soon as possible and reasons why the telephone quotation was obtained should be set out in a permanent record.
- 29.4 All quotations should be treated as confidential and should be retained for inspection.
- 29.5 The Chief Executive or his nominated officer should evaluate the quotations and select the one, which gives best value for money. If this is not the lowest then this fact and the reasons why the lowest quotation was not chosen should be in a permanent record.
- 29.6 Non-competitive quotations in writing may be obtained for the following purposes:
- a. the supply of goods/services of a special character for which it is not, in the opinion of the Chief Executive or his nominated officer, possible or desirable to obtain competitive quotations,
 - b. the goods/services are required urgently.

30. Where tendering or competitive quotation is not required

- 30.1 Where tendering or competitive quotation is not required:

EITHER: the NHSCFA shall use the NHS Supplies Authority for procurement of all goods and services unless the Chief Executive or nominated officers deem it inappropriate. The decision to use alternative sources must be documented.

OR: If the NHSCFA does not use the NHS Supplies Authority - Where tenders or quotations are not required, because expenditure is below £500, the NHSCFA

shall procure goods and services in accordance with procurement procedures approved by the NHSCFA.

- 30.2 The Chief Executive shall be responsible for ensuring that best value for money can be demonstrated for all services provided under contract or in-house. The NHSCFA may also determine from time to time that in-house services should be market tested by competitive tendering.

31. Private finance

- 31.1 When the NHSCFA proposes, or is required, to use finance provided by the private sector the following should apply:
- a. The Chief Executive shall demonstrate that the use of private finance represents value for money and genuinely transfers risk to the private sector.
 - b. Where the sum exceeds delegated limits as notified by the DoH, a business case must be referred to the appropriate DoH for approval or treated as per current guidelines.
 - c. The proposal must be specifically agreed by the NHSCFA.
 - d. The selection of a contractor/finance company must be on the basis of competitive tendering or quotations.

32. Contracts

- 32.1 The NHSCFA may only enter into contracts within the statutory powers delegated to it by the Secretary of State and shall comply with:
- a. these SOs;
 - b. the NHSCFA's SFIs;
 - c. EU Directives and other statutory provisions;
 - d. any relevant directions including the Capital Investment Manual and guidance on the Procurement and Management of Consultants;
 - e. such of the NHS Standard Contract Conditions as are applicable.
- 32.2 Where appropriate, contracts shall be in or embody the same terms and conditions of contract, as was the basis on which tenders or quotations were invited.

- 33.1 The Chief Executive shall nominate officers with a delegated authority to enter into contracts of employment, regarding staff, agency staff or temporary staff service contracts.

34. Disposals

- 34.1 Competitive Tendering or Quotation procedure shall not apply to the disposal of:
- a. any matter in respect of which a fair price can be obtained only by negotiation or sale by auction as determined (or predetermined in a reserve) by the Chief Executive or his nominated officer;
 - b. obsolete or condemned articles and stores, which may be disposed of in accordance with the supplies policy of the NHSCFA;
 - c. items to be disposed of with an estimated sale value of less than £500, this figure to be reviewed annually;
 - d. items arising from works of construction, demolition or site clearance, which should be dealt with in accordance with the relevant contract;
 - e. land or buildings concerning which DoH guidance has been issued but subject to compliance with such guidance.

35. In-house services

- 35.1 In all cases where the NHSCFA determines that in-house services should be subject to competitive tendering the following groups shall be set up:
- a. Specification group, comprising the Chief Executive or nominated officer/s and specialist.

- b. In-house tender group, comprising a nominee of the Chief Executive and technical support.
- c. Evaluation team, comprising normally a specialist officer, a supplies officer and a Chief Financial Officer representative. For services having a likely annual expenditure exceeding £50,000, a non-officer member should be a member of the evaluation team.

- 35.2 All groups should work independently of each other and individual officers may be a member of more than one group but no member of the in-house tender group may participate in the evaluation of tenders.
- 35.3 The evaluation team shall make recommendations to the NHSCFA.
- 35.4 The Chief Executive shall nominate an officer to oversee and manage the contract on behalf of the NHSCFA.

- 37.1 The Seal of the NHSCFA shall not be fixed to any documents unless the sealing has been authorised by a resolution of the NHSCFA or of a committee thereof or where the NHSCFA has delegated its powers.
- 37.2 Before any building, engineering, property or capital document is sealed it must be approved and signed by one Executive Director and one Non-Executive Director of the NHSCFA.

38. Register of sealing

- 38.1 An entry of every sealing shall be made and numbered consecutively in a book provided for that purpose, and shall be signed by the persons who shall have approved and authorised the document and those who attested the seal. A report of all sealings shall be made to the NHSCFA at least quarterly (the report shall contain details of the seal number, the description of the document and date of sealing).

39. Signature of documents

- 39.1 Where the signature of any document will be a necessary step in legal proceedings involving the NHSCFA, it shall be signed by the Chief Executive, unless any enactment otherwise requires or authorises, or the NHSCFA shall have given the necessary authority to some other person for the purpose of such proceedings.
- 39.2 The Chief Executive or nominated officers shall be authorised, by resolution of the NHSCFA, to sign on behalf of the NHSCFA any agreement or other document not requested to be executed as a deed, the subject matter of which has been approved by the NHSCFA or any committee, sub-committee or standing committee thereof or where the NHSCFA has delegated their powers on its behalf.

40. Standing Orders – general

- 40.1 It is the duty of the Chief Executive to ensure that existing members and officers and all new appointees are notified of and understand their responsibilities within SOs and SFIs. - 40.9 Where the Chairperson of the NHSCFA (or, in his absence, the Vice-Chairperson) and the Chief Executive authorises urgent action in respect of a matter on behalf of the NHSCFA, which would normally have been considered by the NHSCFA itself, such action shall be reported to the next meeting of the NHSCFA.
